***FOR IMMEDIATE RELEASE - DECEMBER 2007***

## **BORE CLEANER AND CONDITIONER**

*Clean your firearm in one step with the choice of experts*

Shooter's Choice MC#7 Bore Cleaner and Conditioner is unique among firearms cleaning solvents due to the variety of tasks it performs. MC#7 is the only product on the market today capable of totally cleaning a bore of all deposits and fouling in one step.

MC#7 effectively dissolves and removes powder, lead, plastic wad and copper fouling, carbon deposits and corrosion. Used regularly it works as a barrel conditioner that minimizes fouling, is non-corrosive and is safer to use than harsh ammonias and abrasives. MC#7 also helps lubricate and maintain firearm bores for maximum performance and longer barrel life

*Communicators, if you have any questions on gun care, feel free to contact the Shooter's Choice staff of Experts toll-free at 1-800-232-1991. This number is provided for your convenience and should not be released to the public.*
