V.O.C. Compliant Quick Scrub III item # DG315 replaces item # DG318 for 2008.

Quick Scrub III's powerful aerosol blasts away grime and fouling in all those hard to reach areas (without disassembling). Air dries quickly and leaves no residue. For trouble free actions and precision trigger pulls, use Quick Scrub III.

*V.O.C. writers, the California Air Resource Board, has some of the most strict laws in America, which eventually filters on ward to the rest of the states. Quick Scrub III does not contain any volatile organic chemicals (unlike most of the other degreasers) and can be sold and used nationwide.
